Milestone Marketing Associates Completes TV Spots for Pro-Motion Notions

SARASOTA, Florida (April 14, 2011) – Milestone Marketing Associates, Inc. has just completed producing both a 30-second and a 15-second spot for Sarasota based business Pro-Motion Notions.

“They’re an established company with a stellar reputation, and we’re pleased they wanted to work with us,” says Matthew Anderson, president and founder of Milestone Marketing Associates.

Both Milestone Marketing Associates and WWSB TV are clients of Pro-Motion Notions. Owner Annette Sciolino Gueli was excited to be able to connect the two when a need for production services arose. “I’m excited to have received the creativity and professionalism the Milestone team offered,” says Gueli.

The unique animated commercials are based on a superhero theme, which serves as a fun and playful way to highlight Pro-Motion Notions ability to meet turnaround times in as short as a single day.
