Milestone Marketing Associates Joins The Greater Sarasota Chamber of Commerce

SARASOTA, Florida (September 25, 2009) – The Greater Sarasota Chamber of Commerce (GSCC) has accepted Milestone Marketing Associates application for membership.

“One of our goals is to be an active member of the local business community,” said Matthew Anderson, president of Milestone Marketing Associates. “I’ve been a member of the Siesta Key Kiwanis Club for many years and have found both the fellowship and the community service to be personally rewarding. However, now that I am starting a new business, it’s time to get active in the business community too.”

Immediately upon joining the GSCC, Mr. Anderson volunteered to become a Chamber Partner; member volunteers who help the organization reach out to new members and retain existing members.

“Chamber Partners is a group of dedicated volunteers that are educated on The Chamber’s many services and benefits for its members,” said Virginia Ray, Chamber vice president, membership development & services. “We are thrilled to have Mr. Anderson on board to begin welcoming new members and assisting membership in any way needed.”
