Three Local Companies Choose Milestone Marketing Associates

SARASOTA, Florida (June 2, 2011) –Milestone Marketing Associates, Inc., has expanded its reach into the Sarasota market by signing three new clients this month, the company has announced.

“We’ve been working hard to grow our roster of local clients, and it looks as if those efforts are paying off,” says Matthew Anderson, president of Milestone Marketing Associates. “Our goal has always been to provide high quality, professional marketing services to the local market, and the fact that word is getting out about Milestone is quite gratifying.”

The three new clients are Kevin Sanderson, an attorney specializing in tax and employment law; WebPro Realty, a realty service that provides cutting-edge technological tools to make buying property a simple and smooth experience; and Anderson AV, a full service audiovisual company specializing in both residential and commercial design and installation.

The scope of work involved for these projects varies, ranging from website design and construction to the development of new brochures and collateral materials.
